

LAW ENFORCEMENT INSTRUCTORS

Advanced Development Course

August 26-28, 2024 hosted by the Cache County Sheriff's Office – Logan, UT

Instructor Jeff Johnsgaard is in his 21st year as a Det/Sgt. He is a Contract Instructor for Force Science® and the Reality Based Training Association.

This course will take a deep dive into the practical application of the latest, evidence-informed methods for instruction of physical, Use of Force skills. Live fire and NLTA (non-lethal training ammunition) will be utilised.

This course is for any LE instructor, especially firearms, defensive tactics and tactics instructors. This is a physical, hands on course where students will practice under guidance after demonstration. This course will address how to apply the techniques for all levels of officer ability and experience from recruits to senior/experienced to high performers & teams/SWAT.

Equipment to bring:

- Please bring your duty gear including duty belt and vest for range work including eye & ear protection, proper footwear and clothing for the weather.
- Pistol and carbine - and all live fire equipment to run these weapon systems.
- Pistol ammunition – 300 rounds
- Carbine ammunition – 150 rounds
- Notebook, pen.
- If you have NLTA – non-lethal training ammunition and
